

## Overview of the content

Introductory note APC edition 4.1, 2018 .....	2
Foreword .....	5
Table of Content .....	8
Structure of the Anthroposophic Pharmaceutical Codex, APC .....	10
List of Abbreviations and Symbols .....	11
Glossary .....	12
<b>PART I</b>	
Definitions .....	13
<b>PART II a</b>	
General monographs of preparations and specific production methods (Pharmaceutical processes) .....	17
1. SPECIAL TREATMENT OF RAW MATERIALS .....	22
2. METAL PREPARATIONS .....	23
3. TINCTURES, MOTHER TINCTURES, GLYCEROL MACERATES AND VISCOUS EXTRACTS ....	24
4. SOLID STARTING MATERIALS OBTAINED BY HEAT .....	37
5. SOLID PREPARATIONS FROM PLANTS ( DRYING ONTO A VEHICLE).....	39
6. LIQUID DILUTIONS .....	40
7. COMPOSITIONS .....	41
8. POTENTISED PREPARATIONS .....	44
9. MIXTURES .....	46
<b>PART II b</b>	
Individual monographs of starting materials and preparations .....	48
<b>PART III</b>	
Dosage forms .....	54
<b>PART IV</b>	
Appendices .....	62
Appendix 2.1. List of minerals, rocks and natural waters .....	71
Appendix 2.2. List of starting materials of botanical origin .....	81
Appendix 2.3. List of starting materials of zoological origin .....	133
Appendix 2.4. List of starting materials that can be described chemically .....	163
Appendix 2.5. List of starting materials that have undergone special treatment .....	181
Appendix 2.6. List of compositions .....	185
Appendix 2.7. Stocks with special manufacturing methods .....	197
<b>APPENDIX II</b>	
Correlation table .....	201
