TABLE OF TABLES	11
LIST OF ABBREVIATIONS.....	13
SUMMARY	17
ACKNOWLEDGEMENTS.....	21
PROLOGUE	23
1 INTRODUCTION	25
2 TOPIC AND RESEARCH QUESTION	31
2.1 Phenomena and processes of interest.....	32
2.2 State of the art – flood related research.....	35
2.2.1 Research on hazards, disasters and risk	35
2.2.2 Research on floods and climate change with relevance for Mexico	38
2.3 Challenges in disaster risk management in Mexico.....	45
2.4 Research question	52
3 INTRODUCING THE CASE STUDY REGION – SELECTED SOCIO-SPATIAL DYNAMICS IN A HISTORICAL OVERVIEW	55
3.1 Strategic importance of the Usumacinta River in Mayan times	57
3.2 Economic exploitation and ecological effects in colonial times and after.....	58
3.3 Population dynamics, fight for land and major political dynamics in the 20th century	61
3.4 Recent processes of international economic integration and dynamics of resistance	65
4 SOCIAL PRACTICES, RISK AND SPACE – THEORETICAL BASIS	68
4.1 Paradigmatic and epistemological basis	68
4.2 Social practice theory.....	72

4.3 Theoretical accounts of risk	77
4.4 Theoretical accounts of space	82
4.5 Integration of practices, risk and space into the <i>riskscapes</i> concept	89
5 METHODOLOGY	95
5.1 Positionality, ethical considerations and questions of ownership	96
5.2 Grounded Theory and link to two “alternative epistemologies”	99
5.3 A collaborative research approach	101
5.4 Ethnographic research and social geographical methodology	104
5.5 Design of the empirical research process and methods of data generation	106
5.6 Audio-visual methods	113
5.7 Integration and development of additional methods	117
5.8 Methods applied in analysis and interpretation	118
5.8.1 Discourse-oriented analysis of text and interpretation	119
5.8.2 Qualitative analysis and interpretation of visual data	120
6 SOCIAL PRACTICES OF LIVING WITH FLOODS PERFORMED BY VILLAGE INHABITANTS	123
6.1 Locally identified topics and concepts	123
6.2 Identification of key social practices	125
6.3 Flood, flood risk or living with floods	128
6.4 LIVELIHOOD, THE “GOOD LIFE” AND DEVELOPMENT	153
6.5 Creating and performing collective identities	156
6.6 Retelling and re-performing history	164
6.7 Fighting for land and the importance of “la tierra”	168
6.8 Interacting with government	173
7 BODILY-MATERIAL NOTIONS IN FLOOD RELATED PRACTICES OF VILLAGE INHABITANTS	179
7.1 Material realities of living with floods	179
7.1.1 Changes of distance and proximity	181
7.1.2 Changing dynamics on the river and anticipation of floods	183
7.1.3 Protecting livelihood	184
7.1.4 Finding one’s way in the social network of the village	185
7.1.5 Attachment to land and adaptation to floods	186
7.1.6 Co-presence of different temporalities	187
7.1.7 Living in the water	188
7.2 Socio-cultural contexts of flood management	191
7.2.1 Taking responsibility in the socio-cultural network	192

7.2.2 Waiting for the work to start.....	193
7.2.3 Performing hierarchy in the social network of men.....	194
8 SOCIAL PRACTICES OF FLOOD MANAGEMENT PERFORMED BY EXTERNAL ACTORS	197
8.1 Social practices performed by civil protection actors.....	199
8.2 Social practices performed by government actors	208
8.3 Social practices of other actors relevant for flood management.....	214
8.4 Synthesis of empirical results concerning social practices of flood management.....	219
9 RISKSCAPES – SOCIAL PRACTICE PATTERNS OF FLOOD MANAGEMENT IN THE SOUTH OF MEXICO.....	223
9.1 Insights on the main theoretical concepts	223
9.2 A <i>riskscape</i> of flood management in the South of Mexico – conflicting social practices and contested spaces	231
9.2.1 <i>Riskscape</i> of flood management a) with focus on prevention and preparedness	233
9.2.2 <i>Riskscape</i> of flood management b) with focus on development and the “good life”.....	236
9.2.3 <i>Riskscape</i> of flood management c) with focus on territorial organisation and transformation.....	239
9.3 Interrelations of social practices identified through the <i>riskscape</i> approach.....	242
10 CONCLUSION – SOCIAL GEOGRAPHIC RESEARCH IN A CONTEXT OF RISK AND DEVELOPMENT	245
BIBLIOGRAPHY.....	256
SOFTWARE.....	280
OTHER SOURCES AND SUPPORT	281
ANNEX	282
